

Join efforts of MED Communities and Governace axis

Josep Rodríguez, MED Sustainable Tourism Community
on behalf of the eight MED Communities

Why the Communities are interesting for the Governance axis?

- Critical mass - network of projects, partners and people same thematic axis
exchange, knowledge →

- Tested & ready-to-use project outputs and policy recommendations
transfer & capitalisation →

- Link to sectorial policies and MED policies out of the "Interreg" box →

Why the Governance axis is interesting for the Communities?

- Linkage to national and regional policies for transfer & capitalisation

← Dialogue platform

- Liaising with ESIF Managing Authorities
Mainstream in Operational Programmes

- Useful tools to target policies and mapping
Stakeholders

GGOP & Key Policy Papers

- Liaising to MED policies thanks to their APs
Reaching the whole basin
